

HAPPY NEW YEAR EVERYONE!

Although 2024 ended on a bit of a sad note with the death of Paul Hovan, one of our most ardent music lovers and supporters of live music, Quest Records will continue to book, promote and produce Thursday Night Live Music just the way Paul would want it done; "as a listening room". We'll also incorporate some of Paul's ideas, inspired by visits from musicians in November, such as introducing more ways to pay musicians using "the Square" bank card reader (pictured) and a new way to reserve seats using e-mail: cornerstonevanc@gmail.com
